Every color, brush, and pencil in this challenge, matched to the exact supplies the artists use on screen, in two kits that show up ready to paint. No wandering art-store aisles guessing at substitutes, and no half-finished palette on day one.

KIT 1 • ORDER ONCE, PAINT EVERYTHING

Acrylic & Drawing Foundations

Covers all three drawing challenges and the Van Gogh bear. You get every professional acrylic color (including the pure phthalo green, turquoise, magenta, and violet the bear is built from), the 'Fearless' brush set, acrylic medium, and the full Mastery drawing set: graphite, willow and compressed charcoal, white charcoal, blending stumps, and a sanding block for your charcoal portrait.

KIT 2 • THE TWO OIL CHALLENGES

Oil Foundations

Everything for the two oil painting challenges, the vibrant parrot and the monster portrait. The Foundations oil colors, the Mastery brush set, a subtraction wipe-out tool, plus linseed oil and cold wax.

Why get your supplies from us

What you paint with matches what you're watching, color for color and brush for brush. Every supply is professional-grade, made in the USA, and it all arrives in one box, so the day your cohort starts you're already set up. Kit 1 and Kit 2 together cover every paint, brush, and drawing tool across all five challenges.

The one thing to add yourself: your surfaces. Grab a few canvases and drawing paper, plus one black canvas for the Van Gogh bear in Challenge 5. Those aren't in the kits.

What to Know Before Ordering Art Kits

International orders may require extra steps

If you are outside the U.S., your country may require:

- Import taxes or duties (paid by the customer)
- A Tax ID, Passport number, or other import information for customs clearance

Not providing required information can delay delivery or result in returned packages.

Watch for carrier messages after ordering

- Shipping carriers may contact you by email or phone if they need additional information.
- Please make sure your contact details are accurate and check messages you're not expecting.

Delivery times & tracking vary internationally

Some international services offer limited tracking and longer delivery windows due to customs and local carriers.

Ordering Checklist

Before ordering, please confirm:

- ☐ Your shipping address, email, and phone number are correct
- ☐ You're aware import taxes/duties may apply
- ☐ You can respond if a carrier or customs office reaches out
